The 2022 Community Chest Dress Casual Day
28 October 2022

Nameson Group as a diamond sponsor, sponsored HKD300,000 to fully support The 2022 Community Chest Dress Casual Day. The theme of the Dress Casual Day this year was “we CARE we Wear”. All funds raised will support services of The Community Chest’s 168 social welfare member agencies to provide services for the needy. Our chairman, Mr. Wong Wai Yue, who is also the Chairman of Dress Casual Day Organizing Committee, encouraged the public to participate in the event and care of every person around us, making every small act of kindness more powerful.
